

REMARKS

Claims 1 – 10, 12 and 13 remain in this application. Claim 11 has been canceled. Claim 1 has been amended. Reconsideration of this application in view of the amendment noted is respectfully requested.

Claim 11 was objected to as being dependent upon a rejected base claim, but found otherwise allowable if rewritten in independent form including all the limitations of the base claim and any intervening claims. Claim 1 has been amended to include the limitation of claim 11 that the reflective means is mounted on the baffle.

With the inclusion of this limitation applicant submits that claim 1 is now allowable. And that claims 2-10, 12 and 13, which depend from claim 1, are also allowable.

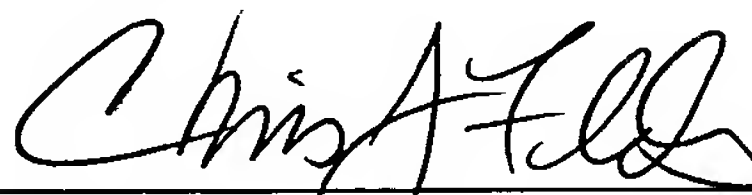

A Petition for a One-month Extension of Time and a PTO-2038 authorizing payment in the amount of \$60.00 to cover the fee under 37 CFR 1.17(a)(1) is included with this response.

This amendment and request for reconsideration is felt to be fully responsive to the comments and suggestions of the examiner and to place this application in condition for allowance. Favorable action is requested.

Respectfully submitted,

Roger Hanif Armour
